WHEREAS, pursuant to the provisions of the Annexation of uninhabited Territory Act of 1939 (Sec. 35300 et seq. of the Government Code of California), and all acts amendatory thereto and supplementary thereto, the City Council of the City of Torrance, may, without requiring a petition therefor, initiate proceedings for the annexation to said City of uninhabited territory contiguous to said City, hereinafter more particularly described; and

That the reason for the City Council's desiring the annexation of such territory to the City of Torrance is as follows:

That said territory is adjacent and contiguous to the City of Torrance, and the owners of a majority of the land contained therein have expressed a desire that same be annexed to, incorporated in, and made a part of the City of Torrance, and that said land, because of its location, should be and it is desirable that said territory described herein be brought within the corporate limits of the City in order that portions of said territory shall not lie in two cities.

SECTION 5.

That the real property composing said territory proposed to be annexed to the City of Torrance is uninhabited, is contiguous to the City of Torrance, is now a portion of the City of Los Angeles, and is particularly bounded and described as follows:

Any such protests against the proposed annexation must be in writing, shall state the name of the owner of the property affected, and the description and area of the property in general terms.

SECTION 7.

That the City Clerk is hereby directed to cause a copy of this Resolution to be published at least once for two consecutive weeks in the Torrance Herald, a semi-weekly newspaper published and circulated in said City of Torrance and hereby designated by said City Council for such purpose, and also in a newspaper of general circulation published outside of the City but in the County in which is located the territory proposed to be annexed; publication to be completed at least twenty days prior to the date set for such hearing; and the said City Clerk shall also cause written notice of such proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on this date, at the address shown on said assessment roll or as known to said Clerk, and to all other persons mentioned in Section 35311 of the Government Code of California, and all as required by said Section.
